IN RE: ANNUAL REVIEW OF ENERGY CLAUSE	DOCKET NO. 199 IAC 20.9(4)
--	----------------------------

ORDER REQUIRING FILING OF INVOICES

(Issued April 29, 2003)

Subrule 199 IAC 20.9(4) provides the Utilities Board (Board) will select two months of the previous calendar year and require each rate-regulated electric utility that owns generation and utilizes an energy adjustment clause to file fuel, freight, and transportation invoices for those months. The rule implements Iowa Code § 476.6(11) and is intended to provide verification for amounts collected pursuant to the energy adjustment clause and reduce the need for field audits by the Board's staff.

The Board hereby notifies each utility subject to this rule that it shall file fuel, freight, and transportation invoices for March and July 2002. Pursuant to the subrule, two copies of these invoices must be filed with the Board on or before November 1, 2003. Because November 1 falls on a Saturday, the deadline will be extended to November 3, 2003.

IT IS THEREFORE ORDERED:

Pursuant to 199 IAC 20.9(4), rate-regulated electric utilities that own generation and utilize an energy adjustment clause are to file on or before November 3, 2003, fuel, freight, and transportation invoices for the months March and July 2002.
